VOLUME XI, NUMBER 47

NARBERTH, PA., SATURDAY, AUGUST 29, 1925

PRICE THREE CENTS

L. M. WILL OPEN ON SEPTEMBER 8

Pupils Greet Announcement
of Supt. Downs With
Much Gloom.

NEW GYM INSTRUCTOR

Long are the faces and much is the gloom of school pupils, for they have only one more week of vacation freedom. School will begin again on Tuesday, September 8, and on that day they must again rise with the alarm and run for the busses.

Announcement of the opening day and the preparations being made to take care of the enrollment were made this week by Superintendent S. E. Downs, of Lower Merion. This announcement follows closely on the one made by the Narberth authorities in these columns two weeks ago.

The township statement gives information to Narberth children living in the township limits, as well as to borough students, who plan to attend High School. Said Mr. Downs:

"The Lower Merion Elementary and High Schools will open for the 1925-1926 term Tuesday morning, September 8, at 9 o'clock. The bus service during the first week will be continued on last year's schedule. All the elementary pupils should report directly to the principals of their respective buildings Tuesday morning, September 8.

"All new elementary pupils must present certificates of successful vaccination in addition to possible records from former schools. Those who will be six years of age prior to April 1, 1926, may enter at the opening of school, but no children will be admitted to first grade later than September 30.

"All new students in Lower Merion township who desire to enroll in either the junior or the senior high school must present complete credentials, including vaccination certificate, to Superintendent S. E. Downs at his office in the senior high school building.

"Entrance tests will be provided Thursday morning, September 10, for those whose credentials do not cover our work in full and for those who are not satisfied with their assignments. The superintendent and the principals will be in their respective offices during all of the week beginning September 1. Parents and pupils who desire to confer relative to the high school work should do so next week prior to the formal opening of school.

"Results of tests given at the close of the summer school in the high school buildings will be announced September 8.

"Students residents in Narberth, who were promoted regularly to the senior high school, will need no further credentials, but new students from this district must secure assignment authorization from Principal George H. Wilson.

"L. D. Grossman, who was formerly physical director at Lower Merion, has secured his release from Susquehanna University and will be head of the physical department at the two high schools and coach of the track team. Grossman had fine track teams when at Lower Merion, with McGrady, Jack,

NEW PHYSICIAN

Dr. A. J. Denman Opens Medical
Office in Narberth.

Dr. A. J. Denman, formerly of Susquehanna, Pa., opened an office this week at 114 Essex avenue for the practice of medicine.

The new physician is a graduate of Bellevue Medical College, New York city, and following his graduation was interned 18 months in the Wyckoff Heights Hospital, Brooklyn.

Dr. Denman practiced medicine and surgery eight years in Susquehanna, a. He served in the army in France for two years. This spring he spent three months in the Postgraduate Hospital, New York.

Dr. Denman will hold his office hours from 2 to 4 in the afternoon and from 6.30 to 8.30 in the evening, instead of the morning and evening hours observed by the other Narberth physicians. He has been elected to the staff of the University Hospital, Philadelphia.

HOW THEY PLAY

Cynwyd at Narberth
Paoli at Ardmore
Berwyn at Ashland

This is the line-up for the Main Line League baseball games which are to be played Saturday. The Cynwyd-Narberth game was originally scheduled to be played at Cynwyd but through agreement between Managers Fred Walzer and Bill Crowell the contest will be staged at Narberth. The Cynwyd field is undergoing repairs.

NINTH INNING RALLY SAVES NARBERTH NINE

Narberth snatched a lost game out of the fire in the ninth inning at Ardmore Saturday when it scored six runs and defeated Ardmore, 13 to 7. The victory made the sixth straight for Narberth and was a blow to Ardmore, which was in second place in the Main Line League race.

In the ninth a fusillade of Narberth hits scored six runs and won the game. Ardmore hit Gleck and Gibson hard, having a total of 16 safeties, against 11 for the winners. Jefferies, the former Princeton athlete, had four bingles, one a two-bagger, while Murray, Cullinan and Kane led Ardmore with three hits each.

GEORGE E. MAPES

Philadelphia Political Writer Dies in
Narberth.

George Egbert Mapes, a member of the old school of journalists which is rapidly passing away, died Saturday night at the home of his daughter-in-law, Mrs. Charles E. Mapes, of No. 510 Dudley avenue, Narberth. He had been ill three weeks.

Mr. Mapes, who was well known in the newspaper world and in political circles as Colonel Mapes, was born October 31, 1859, in Orange county, N. Y. There he received his education and there for a time he was a school teacher.

In 1863 he married Miss Polly Eldridge, of Orange county, and in the spring of 1865 he moved with his family to the oil country in Western Pennsylvania, where he took up newspaper work. He was associate editor of the Oil City Derrick and later of the Petroleum Wells, in Titusville.

Mr. Mapes served for three terms, from 1876 to 1881, as a member of Legislature from Venango county. Later he moved to Philadelphia, where he became associated with Colonel Alexander K. McClure, and served as associate editor of the "Times" for 19 years, until the time that the Times went out of publication.

Mr. Mapes was for some years also a political writer for "The Philadelphia Record." During the Blankenburg administration he served as Chief of the Bureau of Lighting.

He was a member of Philadelphia Chapter of the Pennsylvania Society, Sons of American Revolution, and of the New England Society. Three of his ancestors served in the American Revolution.

Colonel Mapes was a member of the Union Methodist Episcopal Church, in Philadelphia, and was active in church work until a few years ago. His Philadelphia home was No. 1932 North Twenty-second street.

He leaves, besides his daughter-in-law, two grandchildren. Mrs. George O. Schroeder and Mrs. Hugh McWilliams, and four great-grandchildren. He was an independent Republican in politics.

INJURED BY CAR

"Jimmy" England, 9-year-old son of Mr. and Mrs. James A. England, of Sabine avenue, is in the Bryn Mawr Hospital as the result of injuries sustained when he was struck by a car Saturday.

The boy ran across the street to join his parents at a store on Haverford avenue, and was struck by a car driven by Mrs. A. S. Digby, of 312 Essex avenue, who was unable to stop quick enough to avoid hitting the youngster as he darted out.

Jimmy was taken to the hospital by his father, where it was found he had suffered a broken leg and severe bruises about the head.

NARBERTH READY FOR COAL STRIKE

Dealers Declare Residents
Have Stocked Up in
Anticipation.

HAD BUSY SEASON

While there is no great rush on the coal dealers of the Main Line for fuel next winter, it is not because the people are not interested as to the contemplated strike, but because many have already obtained their winter's supply and are unconcerned about the prospect of a strike.

A local dealer stated this morning that never before has there been such a busy summer. People seemed to realize there would be trouble, and prepared for the worst by getting in the coal.

The dealers who handle independent coal are worse sufferers from the expected strike than the general public, according to this same dealer. It is claimed the independent men are asking 75 cents a ton on coal delivered, while the dealer has not raised his price.

No more orders are being taken by the agents for delivery to local yards. It is announced, however, that all orders which are now on hand will be delivered, assuring many local dealers sufficient coal to continue business for some time.

"There will be no great rush for coal until the winter season sets in," said a prominent dealer, "and I doubt whether there will be a grand rush then because of the supplies now in the cellars."

There is no general alarm here over the coal situation, and there is really no uneasiness shown. The dealers are still taking orders and the householders are still getting the coal.

PLAYGROUND SEASON ENDS

Athletic Carnival Marks Close of
Summer Activities.

The summer season of supervised play at the Narberth Playground closed last Saturday with an athletic carnival, participated in by most of the boys who have been attending the field during the summer. The events were staged during the latter part of the week under the direction of Mr. Karl F. Cerelein.

A number of various events were run off, but the track meet had to be postponed on account of the rain Friday afternoon. Matches were held, however, in quoits, baseball, volleyball and football.

In volleyball the results were Maroon, 18; Grey, 6. In football the results were Maroon, 6; Grey, 3. Foote, Maroon, scored 5; Young, Grey, 3, and Casey, Maroon, 1.

In the quoits contests the results were as follows:

Burgess (M.), 5; Young (G.), 7.

Stalker (M.), 7; Sheneman (G.), 5.

Thomas (M.), 3; Ligrest (G.), 9.

Devaney (M.), 3; McKelvey (G.), 9.

Banks (M.), 3; Parks (G.), 9.

Totals: Maroon, 21; Grey, 39.

In the first baseball game, Maroon was defeated by Grey, 9-7.

In the second game Maroon retaliated and won 6-3. Grey forfeited the third game.

The final tabulation of the results showed that Maroon, captained by Burgess, scored 58 points; Grey, captained by Young, tallied 56, with keen competition in all events.

Injured by Truck.

William Selfridge, 56 years old, of Haverford and Iona avenues, Narberth, was painfully injured when struck by a mail truck at Fourth and Market streets on Tuesday. He was taken to the Jefferson Hospital where he was treated for lacerations of the scalp. George Donough, of Riverton, N. J., driver of the truck, was arrested by Foot Traffic Policeman Jay.

The Misses Stackhouse, of Price avenue, sailed from Philadelphia for Boston, Thursday, on the SS. Nantucket of the Merchants' and Miners' Transportation Company.

B. & L. OPENS NEW SERIES THURSDAY

Narberth Association Has
Successful Record for
18 Years.

HAS MONEY FOR LOANS

Announcement is being made in this issue by the Narberth Building and Loan Association than on Thursday evening, September 3rd, they will open their fortieth series in both long and short term stock.

Eighteen and a half years is a pretty good guarantee that the Narberth Building and Loan Association has been ably managed and that the interests of the stockholders have been well taken care of.

There was a period within the last year when applications for mortgage loans were really greater than the association could take care of, but at the present time a great many people are paying their mortgages off and the receipts coming in each month are enough to take care of more applications than the association has been offered, so that now is the time to refinance your property if it should be in Narberth or vicinity, and applications can be obtained from any one of the directors or officers of the association.

A great many Narberth properties have changed hands within the past year and the outlook for this fall promises to bring a number of new residents into the borough and it is hoped that they will read about our local associations and become more interested in community affairs by becoming stockholders in a local building and loan association. Now is just the right opportunity for the new resident to start in the new series either with a building and loan mortgage on his home or as a purchaser of free shares.

It is well to take stock at least once a year in order that when your stock starts to mature you have some coming due each year thereafter and it is not necessary to wait until you can take out an especially large amount, but much better to take out smaller amounts in each series as the time comes around.

If there are any building and loan questions to be asked or you would like to have something explained to you about a building and loan mortgage, any of the directors will be very glad to talk to you at any time, or by phoning the secretary, Mr. Thomas C. Trotter, Jr., Narberth 1262-R, or by attending the next meeting of the association which will be held in Borough Hall, Narberth, on Thursday evening, September 3rd, from 7 until 9 in the evening, full information can be obtained.

Fathers' Association to Meet.

The regular September meeting of the Fathers' Association will be held in the Scout House, Essex and Elmwood avenues, on Wednesday, September 2, at 8 o'clock. All men interested in the Boy Scout movement and all members of the Association are urged to attend, as plans will be formulated for Scout work during the coming season.

Mr. and Mrs. John Gold Schaffer, of Mount Washington, Pa., are being congratulated on the birth of a son. Mr. Schaffer is a former resident of Narberth and graduated from the Narberth High School in 1919.

Mr. and Mrs. Walter I. Dothard, with their sons, Robert and Irving, and Miss Fanny H. Loos, motored to Salem, New York, last Friday, covering the distance, 300 miles, in about 12 hours' actual running time. While in Salem they will be the guests of Mrs. William J. Fitch.

Miss Elizabeth L. England has returned home after spending two months at Opaga Lake, N. Y.

Mr. and Mrs. James D. I. Wood, of Wayne, are being congratulated on the birth of a daughter, Nancy Tabor Wood. Mrs. Wood will be remembered as Miss Elizabeth Harsch, daughter of Mrs. C. C. Entenmann, of Sabine avenue.

Mr. and Mrs. J. Leon Taylor and their son, Tom, returned this week from Harrison, Me.

CONSTRUCTION OF COMMUNITY BUILDING TO BE BEGUN SOON

New \$30,000 Structure on Playground to House the Library, Girl
Scouts and American
Legion.

Plans for the much discussed community building have been completed and the contract let for the actual construction.

This action was taken Tuesday night at a meeting of the board of trustees of the Y. M. C. A. fund who are to construct the building.

The contract was awarded to Wm. D. & H. T. Smedley at a figure of approximately \$30,000. Mr. Smedley will proceed at once to get supplies and equipment on the spot, and actual construction, it is believed, will be started within the next two weeks.

The building will be constructed on the northeast corner of the playground tract, facing on Windsor avenue. It will be composed of three identical-sized rooms, each 30 by 60 feet. The first room, which will be set lengthwise facing Windsor avenue will be occupied by the Community Library. The other two rooms will be placed in the form of wings, extending back from the ends of the first room.

One of these rooms will be used by the Girl Scouts; the other has been assigned to the American Legion, with provision for use by other organizations throughout the month when the Post is not occupying it.

The building will be of red brick colonial construction with a dark slate roof and colonial windows and doors, and is planned to be an architectural addition to the community. Two separate shower and locker

rooms, facing the athletic field, will be constructed at the rear of the building.

The project has been the subject of much discussion for some months. The Y. M. C. A. fund was originally earmarked to be added to the proceeds of a proposed \$100,000 loan for a much more pretentious structure. The loan was defeated, however, at the last election, largely because of the more insistent demands for money needed for street paving.

Since that time the board of trustees decided to go ahead with the money left over from the sale of the old Y. M. C. A. building, and to devote that fund to developing the playground tract as a community centre. Already this year over \$9000 of this fund has been expended for grading and improving the field itself, which task has been completed during the past month.

When the decision was made to build, three organizations were invited to occupy the three-way building: the Boy Scouts, Girl Scouts and Library. The first of these organizations, after many meetings and a vast amount of discussion, rejected the proffer and asked that a part of the fund be diverted to them for improvements on their present property on the south side. This was refused.

The Girl Scouts accepted the offer at once, without reservation. Later it was decided to use the other wing as a meeting place for the Legion and for other organization purposes.

The Library first hesitated to accept because of the fear that the location would be damp, and hence detrimental to the books. This fear was allayed, but another question arose—that of control of their part of the building. They feared that if the building were public, danger

CONTINUED ON THE SECOND PAGE

WIDENING STREET
New Road to be Laid on Wynnewood Avenue.

The long-looked-for improvements to Wynnewood avenue are now under way, and soon one of the worst pieces of traveled road hereabouts will give way to a broad stretch of fine highway.

The section to be repaved, while short, is important as one of the entrances to the borough. The piece of road extends from Windsor avenue to the railroad bridge, along the west end of the playground.

The Good Roads Company, contractors for the new highway and pavement work being done in the borough, are handling this stretch also. This week they laid a concrete sidewalk 15 feet from the present east edge of the road and began excavating for the section to be paved for the widening.

It is planned to add 15 feet to the width of the street. A Telford base of heavy stone, with underdraining and several new city inlets for surface drainage will be laid. In addition, it is planned to raise the level of the street nearly two feet in its present low part.

A new curb will be laid on the western edge of the street, about two feet from the high stone wall marking the property line of Miss Mary K. Gibson. When this work is completed a complete new surface will be laid over the entire area, replacing the present rocky and dangerous roadway.

Mr. and Mrs. H. R. Hillegas and family have returned from Strathmere, N. J.

Mrs. Henry Fleer, accompanied by her sons, Roland and Frank, motored to Deer Lake, N. Y., last Friday.

Mr. A. T. Kirk, of Woodside avenue, sailed Tuesday on the SS. Nantucket of the Merchants' and Miners' line for Boston.

Postmaster Fred C. Patten and family have returned from a two weeks' vacation at Ocean City.

Mr. and Mrs. H. R. Hillegas and family have returned from Strathmere, N. J.

Mrs. Henry Fleer, accompanied by her sons, Roland and Frank, motored to Deer Lake, N. Y., last Friday.

SAYS THE BOOSTER

To the Editor of "Our Town":
Isn't human nature a funny prob-
lem? People move out from the
city to enjoy the fresh air, the lawn
and garden. They come to Nar-
berth to enjoy the scenery, but, have
you noticed that quite a few of these
people put forth very little effort to
bring about the desired results?

Go down to the tennis courts and
watch them strain every muscle to
defeat their opponent, yet these
same men would not belittle their
dignity to push a lawn mower.
WHY? Simply because it is manual
labor combined with good, healthful
exercise.

What is more pleasing to the eye,
either to a visitor or resident, than
to see a well-kept lawn?

These citizens migrated from
dirty city streets to obtain the luxu-
ries of the open country, but give
their garden or lawn the once over
and you can very nearly guess
where they lived in the city.

A neglected lawn not only spoils
general appearances, but it is a thorn
in the side of his neighbors.

The apartment house people are
another class—enjoy the country
at somebody else's expense.

THE BOOSTER

TO START BUILDING

CONTINUED FROM THE FIRST PAGE
would result to their collection of
books, which has reached a point
of considerable value. In conse-
quence the following letter was sent
to the trustees in May:

NARBERTH COMMUNITY
LIBRARY ASSOCIATION

May 22, 1925.

Mr. T. Noel Butler, Secretary,
Y. M. C. A. Fund Trustees,
229 Essex Avenue,
Narberth, Pennsylvania.

Dear Mr. Butler:

The Board of Trustees of the Nar-
berth Community Library Association
at their meeting on Thursday evening,
the 20th instant, voted to accept the
proposition for housing the library, as
outlined in your letter of the 19th in-
stant, and in the blueprint sketches
which accompanied that letter.

This vote was conditioned upon the
receipt of the Narberth Community
Library Association of a written as-
surance from the Recreation Board
that the Library Association should
have sole and exclusive occupancy and
control of that section of your pro-
posed building which was indicated
for library purposes on your blue-
print.

It is our further understanding that
if there should be any material altera-
tions in the structural design or pur-
poses of the entire building before it
is turned over to the Recreation Board,
such changes would be submitted in
advance to the Library Board of
Trustees for their approval, and that
in the absence of any such opportunity
to pass upon changes, the Library
Association would reserve to itself
complete freedom of action.

We expect and would prefer to re-
ceive your written acknowledgment
and acceptance of this letter so that
everything may be a matter of accu-
rate record with you as well as with
us, but the absence of any acknowl-
edgment will be considered by us to
signify your formal acceptance of the
statements set forth in this letter.

In taking this action, the library is
merely passing upon a generous propo-
sition for its housing which has been
proffered by responsible individuals,
but it does not wish to have its name
or influence used as an argument to
allay any public sentiment against the
use of public land as a site and public
money for the maintenance of this
proposed building. It would be mani-
festly inconsistent for the library,
which is seeking to serve the entire
community and which is solely de-
pendent upon community support, to
disregard in its own interest the sen-
timents of the people.

Yours truly,

THE NARBERTH COMMUNITY
LIBRARY ASSOCIATION.By Guldah B. Moore, Secretary.
Assurances were given that the
Library would have exclusive use
of their room, and that body agreed
to avail themselves of this offer of
a permanent home.

The building when completed will
be under the control of the Play-
ground Commission, which is com-
posed of members of Council, the
school board and one private citizen.

DELMONT NEARING CLOSE
AFTER SUCCESSFUL SEASONScout Camp Pronounced Finest in
State by Officials.

After another season of much
popularity Camp Delmont, the camp
of the Montgomery-Delaware dis-
trict Boy Scouts near Sumney-
town along the Unami Creek, will
soon be closed. Practically all of
the Main Line troops spent a week
or more there this summer.

Camp Delmont this year con-
tinued to gain in popularity and
upon a recent visit State officials
pronounced it the finest scout camp
in this State.

Improvements are continually
being made, and a number of new
cabins were erected prior to the
opening of the six weeks' period.
About 30 cabins, with a capacity
for housing eight boys, several
tents are used for the accommoda-
tion of the boys. In general the
entire 130-acre tract is in excel-
lent condition and affords the
youngsters an opportunity to rid
themselves of some excess energy.

Last week was a record-breaker
in attendance. Never before in the
history of the camp have so many
boys been registered at one time.
The personnel consisted of 265
scouts.

Ernest Schultz, of Philadelphia,
was again director of the camp. The
efficient manner in which the official
duties were dispatched was par-
ticularly pleasing to the patrons
of the camp. This, of course, was
due to the fact that all of the mem-
bers on the senior staff were at
Delmont before, and the majority
have been on duty for the last six
years.

A great deal of interest was man-
ifested in attempting to gain pro-
ficiency, recognition and prominence
in scoutcraft. This special work
was left entirely to the boys' own
initiative. However, those who
wished to enter the game were en-
couraged in the type of work
which they performed had to pass
the rigid inspection of the perma-
nent staff.

AGED HIKER TRAVELS TO
CHICAGO AND BACK ON \$11

Hikers, hop-hikers, hoof-hikers
and all other varieties of hikers are
familiar sights to the summer
motorist. They are all proud of
their accomplishments and are full
of tales of the distances that they
have covered, but few of them, it
is likely, have equalled the record
of Edward Fromm, grizzled gray-
haired resident of 430 Willow ave-

nue, Roselle Park, N. J. He hiked
from his home to Chicago and
back on a total capital of \$11.

Mr. Fromm brought his wan-
derings to an end this week and on
Tuesday he passed through Ard-
more, Narberth and Bala-Cynwyd
via the Montgomery pike enroute
home. Tanned a deep brown by
his exposure to the sun the elderly
hiker was a picture of health.

"This hiking is great stuff for
keeping you fit," he smiled. "I feel
fine and could start tomorrow
working on a man-sized job. I
started out in March and reached
Chicago the latter part of June.
On July 2, I left for the East and
the trip back took me about a
month and three weeks."

Not once, according to his ac-
count, did he sleep out in the open.
"And the whole trip," Fromm de-
clared, "cost me only \$11 dollars.
Most of the time I put up at Y. M.
C. A.'s and the charges for lodg-
ings were often as low as 25 cents
a night."

"This, of course," he said, point-
ing to a handkerchief spread
across his chest and containing the
legend of his travels, "helped me
a lot in that."

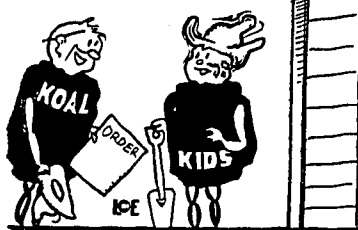

Most of his traveling, Mr.
Fromm declared, was done on
foot. "It cost me two pairs of
shoes," he said, "but it was safer.
The way some people drive these
days, it is a wonder that they are
alive."

Twice on his trip the aged hiker
was given "lifts" by bootleggers.
"When they saw a State police-
man they would slow down to a

minimum speed to avoid suspicion
but once they got out of sight you
should have seen them travel. It
was a novel experience."

Mr. F. T. Heckel is on a trip to
St. Andrews, New Brunswick.

next Wednesday evening led by
Rev. John Van Ness.

Baptist Church of the Evangel.

Robert E. Keighton, minister.
Services for August 30:
9:45 A. M.—Church School.

11 A. M.—Morning worship.
Sermon by the Rev. John Elliott.

Mr. Elliott is the Pennsylvania
State Secretary of Education within
the Baptist denomination. The
young people of the State have
learned that he is a preacher with a
message and constantly seek him
for addresses.

He has preached in Narberth on
previous occasions, much to the
benefit of his congregations.

HEAT FOLKS

WE HEAT FOLKS

MAKE WARM FRIENDS

AND WE KEEP

OUR FRIENDS WARM

Anyone is in a sorry predic-
ament if he has no friends. So-
ciety and business alike are
based on friendship. A dozen
times a day you extend the
open hand—the mark of friend-
ship. A hundred times a week
you see world-famous trade-
marks—the commercial sign of
friendship and fair dealing. The
Heat Folks are the friendship
sign for coal. And since they
keep their friends warm, they
keep warm friends, as well as
make them.

Call the **HEAT FOLKS**

for Good Clean Coal

FIRST FALL BOOKS

Library Buys the Best Available in Small Market.

The summer has been dull as usual in the book market and few worthwhile books have come from the press, though there is promise of an interesting group later. Those that the Library has selected for this month are of the bright and entertaining variety that are desirable during the warm lazy days of summer. Cooler days may demand deeper and more serious reading, but as long as porches are popular and a tolerant attitude toward dust and disorders persist, the story that amuses without tiring is welcome. Practically all given in the list below are of this kind and anyone could with pleasure read the entire lot.

Twins are always fascinating and how by their similarity they conquer their little world as one, while getting themselves and others into many scrapes is delightfully told in "The Beauty Prize," by George Weston. Curwood has a new book. That is all that need be said in that connection. Seven hundred pages of Galsworthy in one volume of short stories is a treat, and that describes "Caravan." Michael Arlen is on the list this month with two books, one a sequel of the other, and "Brigham Young" has already been reviewed in these columns.

The Library has bought the first volume, "Autumn," of Ladislav Reymont's "Peasants," the book which won the Nobel prize and is now being translated into English in four volumes named for the four seasons. Should this first one be received favorably the others will be purchased in turn.

The complete list follows: "Afterwards," by Mrs. Belloc Lowndes.

"The Ancient Highway," by J. O. Curwood.

"The Beauty Prize," by George Weston.

"Caravan," by John Galsworthy.

"The Circle of Stars," by Joan Sutherland.

"Dr. Ricardo," by Wm. Garrett.

"Confident Morning," by A. S. Pier.

"Ethan Quest, His Saga," by Harry Hervey.

"Hard Wood," by Arthur O. Friel.

"May Fair," by Michael Arlen.

"Mrs. Dalloway," by Virginia Woolf.

"Mrs. Harter," by E. M. Delafield.

"Old Wine," by Phillis Bottome.

"The Peasant," vol. 1, "Autumn," by Ladislav Reymont.

"The Smiths," by Janet A. Fairbank.

"The Snow Patrol," by Harry S. Drago.

"The Son of His Father," by Harold Bell Wright.

"These Charming People," by Michael Arlen.

"Thunderstorm," by G. B. Stern.

"Young Mrs. Cruse," by Viola Meynell.

"Brigham Young," by M. R. Werner.

"Book of Everyday Heroism," by John T. Faris.

GLOOM AMONG STUDENTS; SCHOOL WILL OPEN SEPT. 8

CONTINUED FROM THE FIRST PAGE

Heston and Parker as a winning relay team.

"Albert C. Adam, formerly of West Chester and a three-letter man at Bates, will assist in the gymnasium work and will be head coach of football and basketball. Both of these men, in addition to their college degrees, have graduated from schools of physical education.

"Charles E. Duffy, a new teacher in the junior high school, will assist in the coaching. He played football one year at Dickinson and later graduated from Washington College, Md., where he was captain during his senior year.

"Warren Cochlin, ne wscience teacher and 1919 baseball captain at Franklin and Marshall, will assist in this sport."

FIREMEN WIN

The Narberth Fire Company baseball team showed great form Monday night when they beat the nine from St. Margaret's by a 5-3 score. The battery formed by Walzer and J. Lacey for the fire-eaters was the feature of the contest.

Both Lacey and Walzer each counted for a run, while the manager of the Bala-Cynwyd team also rolled up two hits as his share in a pretty tight game.

Manager Taylor Henry's firemen expected a beating at the hands of the Narberth avenue crowd, because of losing last week, but they were on their toes all the time and managed to turn in the score.

Henry had quite a reserve list on the bench ready for action. Two good games are planned for next week. The box score:

NARBERTH	FIRE	ST. MARGARET'S
J. Lacey, c., 112 10	Cummer, c., 12 7 10	
Walzer, p., 1 2 1 3 0	Manning, p., 1 0 2 2 0	
Blesing, 1b., 0 1 1 0 0	Wise, 1b., 0 0 0 0 1	
C. H. M's, 2b., 1 2 0 4 0	Nolan, 2b., 0 1 1 3 0	
Callahan, ss., 1 0 2 1	Mulligan, ss., 1 0 2 0	
D. Lacey, 3b., 0 1 1 0 0	Hood, 3b., 0 1 1 0 0	
Maguire, lf., 1 1 2 0 0	Lehman, lf., 0 0 1 0 0	
Donley, cf., 0 0 0 1	Waller, cf., 0 0 2 0 1	
Henry, rf., 0 0 1 1 0	Duffy, rf., 0 0 1 0 0
